May 20, 1957

Mr. M. Judah Folkman
Fourth Year Class
Harvard Medical School
25 Shattuck Street
Boston, Massachusetts

Dear Judah:

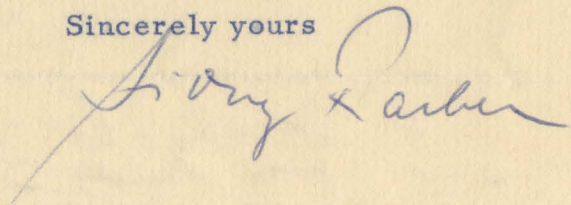

This is to add my congratulations on your magnificent accomplishment in winning the Soma Weiss Award,

I heard your paper last Tuesday evening. I think it is the finest piece of work I have heard a student present in the years this has been going on.

I shall follow your career with great interest and tremendous pride.

With good wishes, I am -

Sincerely yours

A handwritten signature in dark ink, appearing to read "Sidney Farber", written in a cursive style. The signature is positioned below the typed name "Sidney Farber".
