

Dear Sir  
Decr. 20. 1816

John Travers William & Henry Travers  
Marianne two sisters Mary M Travers & Elizabeth Travers

refers to - Elizabeth Travers  
Sister of grandma Mary Travers  
wife of William Travers -

Your letter gave me much  
pleasure. I can only answer you briefly  
on account of a cold taking about 10 days  
ago and the fatigue & anxiety of preparing  
to go to Savannah by Ship Bay Wharf  
on Sunday (tomorrow) I am not essen-  
tially worse.

Your proposition with regard to  
my admirable sister meets my most cordial  
approbation. I have often said that I wish  
I could get such a wife. We all of us owe  
her much gratitude & I more. That  
she should be the object of your affections  
I am not disposed to doubt, and that  
you may be of her, if not already, with  
facility I think admits of little doubt,  
also.

Rest assured you will have the  
heartly cooperation of each individual of the  
family, & more more so that of who thinks  
you will do honor to his family and will  
be proud to call you brother
