

The President and Fellows
of the New Hampshire Medical Soc.

By these Presents testify, that
Mr. Benjamin Waterhouse, M.D.
by reason of his great knowledge in the
Science of Medicine has been appointed
an honorary Fellow of their Society;
in full confidence that his communications
will do them much honour.

In testimony whereof the seal of the
Society has been hereunto affixed, and the
signature of the Secretary added, at Ports-
mouth the 25th day of May A D 1808.

L. Spalding, Secy.
